FINANCIAL POLICY

I, _____, a patient at Yakima Integrative Health in Yakima, WA do hereby acknowledge that my health insurance policy is an arrangement between the Health Plan and myself.

I understand it will be my responsibility to understand my insurance policy and its benefits before arriving to my appointment. I also understand that certain services and tests may be ordered by the doctors located at Yakima Integrative Health which may not be covered by my insurance. I agree to be financially responsible for these services and tests.

Annual exams and dual licensed providers

If medical treatment is requested during an annual physical exam, I understand that my provider is allowed to bill the insurance carrier for those services separately from the annual exam charge. I also understand that if my provider is credentialed as both an acupuncturist and naturopath and both modalities are used during the visit my provider will also bill both visits separately.

Important questions to ask yourself before your appointment

Do I have naturopathic benefits?

Check your insurance plan to see if they cover naturopathic medicine. If not, you will be responsible for paying at the time of your visit. A 20% time of service payment discount is offered to patients paying out of pocket.

Do I have a co pay? What percentage of my visit is covered by my insurance and do I have a deductible?

Co-pays are due at the time of service. If not collected, there will be an additional \$10 copay billing fee on top of copay. Deductible and co-insurance fees are also a patient responsibility.

How many office, acupuncture, and/or preventive visits am I allowed each year?

The amount of visits allowed depends on your insurance plan. If coverage is denied due to overage amount of visits, you will be responsible for paying the balance.

Do I need a referral?

If you need a referral per your insurance plan, ensure the referral is in before the time of your appointment.
